WARNING: hole-in-the-ground trail is close by here. Do not x-country ski if you pick it up. I'll take you to Andesite Peak!

Round Valley (Cell of Corn?)

- Switchbacks to snow patches (mainly near bottom)
- Huge rock gardens

- Some snow possible in isolated areas
- Rocky area
- Snow patches
- Clefteasy to navigate upper summit of Castle Peak
- Altogether summit near round trip
- Reasonable stream
- Reasonable stream

Adesite Peak from Castle Pass

- Side trail (do not use)
- Deep trail (do not use)
- Stream

There is a connecting trailhead at I-80 Castle Peak. (If you're going to hike, I recommend going under the freeway)

GPS whole thing including segment between pass and snow gate and side trip to Castle Valley.
